HON'BLE SRI JUSTICE GODA RAGHURAM

W.P.NO.12606 of 2006

ORDER:

The allegations in the writ petition that the petitioner was taken to Ramachandrapuram Police Station on 10-02-2006; that he was beaten up severely; that they had obtained his finger prints and photographs with a view to exhibit the same in the crime chart; and that no action was taken by the first respondent despite the petitioner's complaint on 23-02-2006 as to the above conduct of the second respondent, have all been denied in the counter filed by the second respondent.

Second respondent denies each and every allegation in the writ petition and the second respondent states that the petitioner was never called to the second respondent police station and that he was not at all required in any case and that no case is pending against him and that no history sheet is maintained or opened against the petitioner and no finger prints and photographs of his are available in the second respondent police station.

The writ petitioner does not deny the assertions made in the counter affidavit. In these circumstances, there are no merits in the writ petition.

Accordingly, the writ petition is dismissed at the stage of admission. There shall however be no order as to costs.
